## Methods of Transmission

"(1) The warning message is on a product's labeling that is provided directly to the purchaser of the consumer product using the format, content and size specified..."

"(2) For internet purchases, the warning message is provided on the internet prior to the time the consumer completes its purchase of the product."

"(3) For catalog purchases, the warning message is provided in the catalog in a manner that clearly associates it with the item being purchased."

"(4) A product-specific warning is provided on the shelf-tag or on a shelf sign for the product at each point of display of the product..."

"(5) A product-specific warning is provided via any electronic device or process that automatically provides the warning to the consumer while the consumer is making a purchase, without requiring the consumer to seek out the warning."
