### Subarticle 1. General

#### § 25600. General.

(a) Article 6, Subarticles 1 and 2 apply when a clear and reasonable warning is required under Section 25249.6 of the Act. Subarticle 1 sets forth general provisions applicable throughout this article, including the allocation of responsibility among parties when a warning for a consumer product is required under the Act. Subarticle 2 provides “safe harbor” content and methods for providing a warning that have been determined “clear and reasonable” by the lead agency. Nothing in Article 6 ~~or Subarticles 1 and 2~~ shall be interpreted to determine whether a warning is required for a given exposure under Section 25249.6 of the Act.

(b) A person may provide a warning that complies with this article prior to ~~its two-year effective date~~ **August 30, 2018**; such warning will be deemed to be clear and reasonable. A warning for a consumer product manufactured prior to ~~the effective date of this article~~ **August 30, 2018** is deemed to be clear and reasonable if it complies with the September 2008 revision of this article.

(c) If the lead agency has not adopted a specific product, chemical, or area exposure warning in Section 25607.1 et seq., an interested party may request that the lead agency adopt one pursuant to Government Code Sections 11340.6 and 11340.7. (Petition for Rulemaking), or may request guidance from the lead agency pursuant to Article 2, section 25203 (Interpretive Guideline Request) or Article 2, section 25204 (Safe Use Determination).

(d) A person is not required to provide separate warnings to each exposed individual.

(e) A person that is a party to a court-ordered settlement or final judgment establishing a warning method or content is deemed to be providing a “clear and reasonable” warning for that exposure for purposes of this article, if the warning complies with the order or judgment.

(f) Nothing in Subarticle 2 shall be construed to preclude a person from providing a warning using content or methods other than those specified in Subarticle 2 that nevertheless complies with Section 25249.6 of the Act.

(a) Section 25249.11 of the Act requires the lead agency to minimize the burden on retail sellers of consumer products, to the extent practicable, when it adopts regulations concerning clear and reasonable **warnings**, except where the retail seller itself is responsible for introducing

a listed chemical into the product.

(b) The manufacturer, producer, packager, importer, supplier, or distributor of a product may comply with this article either by affixing a label to the product bearing a warning that satisfies Section 25249.6 of the Act, or by providing a written notice directly to the authorized agent for a retail seller who is subject to Section 25249.6 of the Act, which:

(1) States that the product may result in an exposure to one or more listed chemicals;

(2) Includes the exact name or description of the product or specific identifying information for the product such as a Universal Product Code or other identifying designation;

(c) If the manufacturer, producer, packager, importer, supplier, or distributor of a product is complying with this section by providing a written notice directly to the authorized agent:

(1) The notice must be renewed, and receipt of the renewed notice confirmed electronically or in writing by the retail seller's authorized agent within six months during the first year after the effective date of this section, then annually thereafter during the period in which the product is sold in California by the retail seller.

(2) An additional notice is required within 90 days when a different or additional chemical name or endpoint (cancer or reproductive toxicity) is included in the warning.

(d) The retail seller is responsible for the placement and maintenance of warning materials, including warnings for products sold over the ~~Internet~~internet, that the retail seller receives pursuant to subsections (b) and (c).

(e) The retail seller is responsible for providing the warning required by Section 25249.6 of the Act for a consumer product exposure only when one or more of the following circumstances exist:

(1) The retail seller is selling the product under a brand or trademark that is owned or licensed by the retail seller or an affiliated entity;

If the source of this knowledge is a notice served pursuant to Section 25249.7 (d)(1) of the Act, the retail seller shall not be deemed to have actual knowledge of any consumer product exposure that is alleged in the notice until five business days after the retail seller receives a notice that provides a description of the product with sufficient specificity for the retail seller to readily identify the product in accordance with Article 9, section 25903(b)(2)(D).

(g) The retail seller of a product that may cause a consumer product exposure shall promptly provide the name and contact information for the manufacturer, producer, packager, importer, supplier, and distributor of the product to the following persons on written request, to the extent that this information is reasonably available to the retail seller:

(1) The lead agency;

(2) The Attorney General, any district attorney, or any city attorney or city prosecutor with authority to bring an action under the Act; or

(3) Any person who has served notice under Section 25249.7(d)(1) of the Act alleging that the consumer product causes an exposure that requires a warning under the Act.

(h) A person or entity making a written request pursuant to subsection (g) must provide a description of the product with sufficient specificity for the retail seller to readily identify the product in accordance with Article 9, section 25903(b)(2)(D).

(i) Provided that the consumer receives a warning that meets the requirements of Section 25249.6 of the Act prior to exposure, the manufacturer, producer, packager, importer, supplier, or distributor of a product that may cause a consumer product exposure may enter into a written agreement with the retail seller of the product to allocate legal responsibility among themselves for providing a warning for the product, which shall bind the parties to that agreement and which shall supersede the requirements of subsections (b), (c), (d), and (e).
