

## Public Hearing Information:

### Proposed Amendments to Regulations

Clear and Reasonable Warnings, Safe Harbor Methods and Content  
California Code of Regulations, Title 27, Sections 5601 - 25603, 25607.2  
New Sections 25607.50 - 25607.53

Wednesday, December 13, 2023, at 10:00 a.m.

On October 27, 2023, the Office of Environmental Health Hazard Assessment (OEHHA) proposed amendments to certain sections of the regulations for safe harbor warnings. The public comment period is scheduled to close on December 20, 2023, ([to submit a written public comment please use this link](#)).

OEHHA will hold a public hearing regarding the proposed amendments on December 13, 2023, at 10:00 a.m. The hearing will be conducted in person and remotely. The hearing will continue until all in-person and remote attendees have had an opportunity to provide their comments. Public comments are limited to 5 minutes or less per commenter.

This is how you can participate in the public hearing:

1. In person

Sierra Hearing Room  
CalEPA Headquarters Building  
1001 I Street  
Sacramento, CA 95814

2. Remotely via zoom webinar

If you would like to speak at the hearing, please [register in advance for this webinar](#).

After registering, you will receive a confirmation email containing information about joining the webinar. If you have trouble registering, please contact Monet Vela, by phone or email as indicated below.

3. Via webcast

If you would like to view the hearing but not speak, you can [view the webcast](#).

Please direct any questions to [monet.vela@oehha.ca.gov](mailto:monet.vela@oehha.ca.gov).

If you have special accommodation or language needs, please contact Monet Vela by telephone at (916) 323-2517 or by email at [monet.vela@oehha.ca.gov](mailto:monet.vela@oehha.ca.gov) by December 6,

2023. TTY/TDD/Speech-to-Speech users may dial 7-1-1 for the California Relay Service.

OEHHA is subject to the California Public Records Act and other laws that require the release of certain information upon request. Your written and oral comments, attachments, and associated contact information such as your name, screen name, address, and email may be available to third parties.
