Spear Tower 24th Floor
San Francisco, California 94105

Dear Mr. Landfair:

In response to McKenna Long & Aldridge LLP's request on behalf of Phifer Incorporated, the Office of Environmental Health Hazard Assessment (OEHHA) is issuing the following safe use determination for diisononyl phthalate (DINP) in Phifertex® fabric used in outdoor furniture products, pursuant to our authority under Title 27 of the Cal. Code of Regs., section 25204(h)(1):

- OEHHA is issuing a safe use determination for DINP in Phifertex® fabric containing up to 25% DINP used in outdoor furniture products.

Please find enclosed copies of our document supporting this determination and the notice, as it will appear on the OEHHA website at www.oehha.ca.gov, and in the California Regulatory Notice Register, dated January 20, 2017. If you would like to discuss any issue concerning the safe use determination, please call Dr. Martha Sandy of my staff at (510) 622-3190.

Sincerely,

Allan Hirsch
Chief Deputy Director
