---

The Office of Environmental Health Hazard Assessment (OEHHA) has reviewed the draft Risk Characterization Document (RCD) and Exposure Assessment Document (EAD) for Allyl Isothiocyanate, prepared by the Department of Pesticide Regulation (DPR) dated July 31, 2020. Our comments are provided in the attachment.

Thank you for providing this draft document for our review. If you have any questions regarding OEHHA's comments, please contact Dr. David Ting at (510) 622-3226.
