

**CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY
OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT**

**SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986
(PROPOSITION 65)**

**NOTICE TO INTERESTED PARTIES
August 29, 2025**

**Announcement of the Carcinogen Identification Committee Meeting Scheduled
for November 18, 2025;
Notice of Availability of Hazard Identification Materials for
N-Methyl-N-Formylhydrazine**

The California Environmental Protection Agency's Office of Environmental Health Hazard Assessment (OEHHA) will convene a meeting of the Carcinogen Identification Committee (CIC). At this meeting the CIC will consider the possible listing of N-methyl-N-formylhydrazine under the Safe Drinking Water and Toxic Enforcement Act of 1986, codified at Health and Safety Code section 25249.5 et seq. (Proposition 65). OEHHA is also opening a 45-day public comment period on the hazard identification document entitled "Evidence on the Carcinogenicity of N-Methyl-N-Formylhydrazine." **The public comment period will end on Monday, October 13, 2025**, and instructions about how to submit a comment are included below. A copy of the document is available on OEHHA's website at oehha.ca.gov/proposition-65.

Background

OEHHA is the lead agency for implementation of Proposition 65. The CIC advises and assists OEHHA in compiling the list of chemicals known to the state to cause cancer within the meaning of the Act, as required by Proposition 65 (Health and Safety Code section 25249.8.). The CIC serves as the state's qualified experts for determining whether a chemical has been clearly shown through scientifically valid testing according to generally accepted principles to cause cancer within the meaning of the Act (Health and Safety Code section 25249.8(b), Cal. Code Regs. tit. 27 section 25305(a).).

A request for relevant information on the potential carcinogenicity of this chemical opened on November 29, 2024, and closed on January 10, 2025. No submissions were received.

Public Meeting and Public Comment Period

N-Methyl-N-formylhydrazine will be considered for possible listing under Proposition 65 as causing cancer at a public meeting scheduled for **Tuesday, November 18, 2025**. This meeting will be held in Sacramento and online, with the option of participating in

person or via the internet. Participate in person at Sierra Hearing Room 1001 I St., Sacramento, CA or [register online to participate via a Zoom webinar](#). The meeting will begin at 10:00 am and last until all business is conducted or until 5:00 pm.

The meeting agenda and detailed instructions for providing oral comment will be provided in a future public notice published in advance of the meeting.

Persons who do not wish to attend a hearing in a location that is public and therefore open to anyone are encouraged to attend electronically and/or to submit written comments.

All written comments must be submitted to OEHHA by electronic submission, mail, or in person hand-delivery, by **Monday, October 13, 2025**. OEHHA strongly recommends that comments be submitted electronically through our website at <https://oehha.ca.gov/comments> rather than in paper form. Alternatively, comments can be submitted in paper form, either by mail or delivered in person.

Comments may be submitted anonymously and will be considered by OEHHA to the same extent as other comments, although OEHHA encourages commenters to include their name and affiliation when possible.

Mailed submission via United States Postal Service:

Attention: Tina Cox
Office of Environmental Health Hazard Assessment
P. O. Box 4010
Sacramento, California 95812-4010

In-person delivery submission:

Attention: Tina Cox
Office of Environmental Health Hazard Assessment
1001 I Street
Sacramento, California 95814

OEHHA encourages all commenters to submit their comments in a format compliant with Section 508 of the federal Rehabilitation Act, Web Content Accessibility Guidelines 2.1 (<https://www.w3.org/WAI/standards-guidelines/wcag>) and California Government Code sections 7405 and 11135, so that they can be read using screen reader technology.

All timely filed public comments will be provided to CIC members in advance of the meeting and will be posted on the OEHHA website at the close of the comment period.

OEHHA is subject to the California Public Records Act and other laws that require the release of certain information upon request. If you provide comments, please be aware that your name and comment may be available to third parties and that OEHHA posts comments on its website.

If you would like to request a copy of the hazard identification document, or have any other questions regarding this announcement, please contact Tina Cox at Tina.Cox@oehha.ca.gov or 916-327-7338.
