Chemical	Safe Harbor	Proposed Level	Date Proposed
1-Bromopropane and Diethanolamine	No Significant Risk Level	1-Bromopropane 54 µg/day Diethanolamine 6.4 µg/day (dermal)	August 22, 2025

Other Proposition 65 Regulatory Activity For Committee Input

To be proposed as a regulatory amendment in the future:

Section 25302(f) A quorum of the Committee shall be a majority of the members appointed to the Committee. An affirmative vote of the majority of the ~~appointed~~ members present shall be required for any action of each Committee. A vacancy on a Committee shall not impair the right of the remaining members to exercise all powers of the Committee.

Significant Proposition 65 Litigation

Trial Court:

- *California Chamber of Commerce v. Bonta* (1st Amendment challenge to acrylamide warnings for food)
- *The Personal Care Products Council v. Bonta* (1st Amendment challenge to titanium dioxide warnings for cosmetics and personal care products)
- *Physicians Committee for Responsible Medicine v. OEHHA* (dispute over OEHHA not listing processed meat)

Appellate Court:

Consumer Advocacy Group v. Walmart (compelled arbitration)
