CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT

SAFE DRINKING WATER AND TOXIC ENFORCEMENT ACT OF 1986 (PROPOSITION 65)

NOTICE TO INTERESTED PARTIES May 5, 2023

Announcement and Preliminary Agenda of the Carcinogen Identification Committee Meeting Scheduled for June 13, 2023

The <u>Carcinogen Identification Committee</u> (CIC) will meet virtually on June 13, 2023. This public meeting will be held from 10:00 am to 5:00 pm, or until all business is conducted. Presentations and discussions will address (a) the key characteristics of carcinogens and their use in cancer hazard identification and (b) analysis of tumor data from animal carcinogenicity studies. A list of background materials for the meeting is available below. **No listing decisions will be made at this meeting.**

Preliminary Agenda

The order of items on the agenda is provided for general reference only. The order in which items are taken up by the Committee is subject to change at the discretion of the Committee Chair.

- I. Welcome and Opening Remarks
- II. Key Characteristics of Carcinogens and their Use in Cancer Hazard Identification
 - Presentation: Dr. Vincent Cogliano, OEHHA
 - Presentation: Dr. Kathryn Guyton, National Academies of Sciences, Engineering and Medicine
 - Presentation: Dr. Ivan Rusyn, Texas A&M University
 - Public Comments
 - Committee and Speakers Discussion
- III. Analysis of Tumor Data from Animal Carcinogenicity Studies
 - Introduction: Dr. Vincent Cogliano, OEHHA
 - Staff Presentation: Ms. Rose Schmitz and Dr. Jennifer Hsieh, OEHHA
 - Public Comments
 - Committee and Speakers Discussion
- IV. Staff Updates

- Chemical listings via the administrative listing mechanisms
- Safe harbor levels
- Other regulations and litigation

V. Summary

Background

OEHHA is the lead agency for implementation of Proposition 65. The CIC serves as the state's qualified experts for determining whether a chemical has been clearly shown through scientifically valid testing according to generally accepted principles to cause cancer. In this capacity, the CIC advises and assists OEHHA in compiling the list of chemicals known to the state to cause cancer as required by Proposition 65.

Meeting Registration and Oral Comment Instructions

OEHHA will be using the Zoom Webinar platform for this meeting. You can join the webinar from a PC, Mac, iPad, iPhone or Android device using the following link: https://bit.ly/registerCIC2023.

If you wish to provide oral public comments at the meeting, you must register as an attendee at the link above. Public comments are limited to 5 minutes or less per commenter. If slides will be used during a public comment, please provide the slides at least 24 hours before the meeting by emailing them to p65public.comments@oehha.ca.gov.

We encourage advance registration and request that registered attendees join the webinar at least 5 minutes before the 10:00 am meeting start time. However, registration will not close until the meeting has adjourned.

Note that you do not have to enter your actual name during registration; for example, you could use initials instead. If you do not enter a functioning e-mail address, you will need to save the meeting attendance information that displays after completing the registration form.

For View and Listen Only Mode

If you wish to view the meeting without participating, you can watch the *webcast* at https://video.calepa.ca.gov/. The webcast will become active approximately 15 minutes prior to the event. Please note that viewers of the webcast will not be able to provide oral comments during the meeting.

Special Accommodations or Language Needs

If you have special accommodation or language needs, please contact the Proposition 65 Implementation Office at (279) 216-0002 or Kiana.Vaghefi@oehha.ca.gov as soon

as possible before the meeting. TTY/TDD/Speech-to-Speech users may dial 7-1-1 for the California Relay Service. Providing your request at least five (5) business days before the meeting will help ensure availability of the requested accommodation.
