EXTERNAL:

Dear Esther,

I have reviewed the documents you provided regarding the proposed NSRLs for 1,3-dichloropropene. I believe the methods are appropriate and the results appear reasonable. I have no further comments.

By the way, there are ongoing issues with the email system here, so if you have sent me anything in the last 7 days, I probably didn't get it. Please resend as needed.

Best regards,  
Dana
